The Project consists of constructing: CONTRACT I: Cleaning and Painting of 100,000 Gallon Elevated Storage Tank; Dismantle and Remove From Service Existing 35,000 Gallon Elevated Storage Tank. CONTRACT II: Construct Backwash Pit and Corresponding Piping. Bids will be received for a single prime Contract. Bids shall be on a unit price, with deductive alternate bid items as indicated in the Bid Form. The Issuing Office for the Bidding Documents is: Miller-Newell Engineers, Inc., P.O. Box 705, 510 Third Street, Newport, AR 72112.

Prospective Bidders may examine the Bidding Documents at the Issuing Office on Mondays through Fridays between the hours of 8:00 A.M. and 5:00 P.M., and may obtain copies of the Bidding Documents from the Issuing Office as described below. Bidding Documents also may be examined at: City Hall, 104 Gin Street, Joiner, AR, Southern Reprographics, 901 W. 7th, Little Rock, AR; [www.dodgeplans.construction.com](http://www.dodgeplans.construction.com); [www.cmdgroup.com](http://www.cmdgroup.com). Printed copies of the Bidding Documents may be obtained from the Issuing Office, during the hours indicated above, upon payment of a deposit of \$100.00 for each set. Bidders who return full sets of the Bidding Documents in good condition (suitable for re-use) within 14 days after receipt of Bids will receive a full refund. Non-Bidders will receive a refund of \$50.00 for documents returned in good condition within the time limit indicated above. Checks for Bidding Documents shall be payable to "Miller-Newell Engineers, Inc.". Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office. Bid security shall be furnished in accordance with the Instructions to Bidders. Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. The de minimis and minor components waiver apply to this contract. CITY OF JOINER Mayor Sissie Winford-Ross Date: April 30, 2018 74514825f
