DESCRIPTION

2018-041 Brentwood Non-Potable Storage Facility This Project is a CWSRF Funded Project and the use of American Iron and Steel is required. Construction of a 3MG non-potable water reservoir and related appurtenant structures, pump station and control building, tank facility improvement, existing pump station modifications, sheeting, shoring and bracing, electrical, lighting, PLC, SCADA, pumps, SWPPP and erosion control, demolition, piping, dewatering and cathodic protection. Please Note ***Pursuant to SB 854 please include your Proof of Registration for doing Public Works Projects in CA. with your quote ***All Equipment used on this Project must meet the current C.A.R.B Regulations*** Please note that GSE Construction is signatory to the Laborers Unions*** GSE Construction Co., Inc. is an Equal Opportunity Employer. Potential Subcontractors shall make themselves familiar with GSE's Subcontract, by visiting our website, www.gseconstruction.com , and reviewing our subcontract document. GSE Construction requires

that all potential subcontractors are prepared to provide a 100% Payment and Performance Bond from a US Treasury listed Surety Company. GSE will reimburse Subcontractors for the required bond premium, so please provide your bond rate at time of bid. The decision to bond any or all subcontractors shall be at the sole discretion of GSE Construction, unless the specific project contract documents have other requirements. Please contact us for any insurance, bonding or other project related questions. For subcontracts greater than \$100,000 in amount, performance and payment bonds in an amount equal to 100% of the subcontract price shall be required, issued by sureties satisfactory to Contractor, with the reasonable premium charge for the bonds (which shall not exceed 1.75% of the amount of the subcontract) to be reimbursed by Contractor. In Contractor's sole subjective discretion, Contractor may determine to waive or reduce this requirement. Please list any bond premiums as a separate line item. Subcontractor also shall be required to execute a subcontract that is in substantially the form of Contractor's standard subcontract document, which is available for review at Contractor's offices. We are looking for quotes for the following subcontractors/suppliers: *SWPPP *Survey *Demolition *Earthwork *Shoring *AB & AC Paving *Dewatering *Rebar *Concrete *Masonry *Structural & Misc Metals *Steel Roof Deck *Board Insulation *Metal Roof Panels *Flashing & Trim * Joint Sealants *HM Doors, Frames and Hardware *Painting & Coating *Equipment ID *Line Shaft Vertical Turbine Pumps *Submersible Mixer *Cathodic Protection *Vehicle Barriers *Piping Steel, DIP, PVC *Valves *Waterlines and Structures Disinfection *HVAC *Electrical *Instrumentation Plans and specifications can be viewed or downloaded from our website <http://www.gseconstruction.com/bidding/bidcalender.php> JW 03/20/2018 01:30 pm Bids 04/17/2018 02:00 pm Estimate \$8,400,000 ECT #6121938; Mar. 15, 2018
